	SHINGLES	Landmark by Certaineed (30-year warranty) www.certainteed.com	<i>Carter Lumber Co.</i> www.carterlumber.com Sam 586-776-9844	It is never too early to order shingles and have them available as soon as the house is framed.
	EXTERIOR DOORS AND WINDOWS	Jeld-wen www.jeldwen.com	<i>Carter Lumber Co.</i> www.acornkitchen.com Sam 586-776-9844 For custom doors: <i>Hardwood Door & Bevel</i> www.hardwooddoorandbevel.com 800-689-7227	Choose the exterior window and door colors as soon as the plans are done. This is important so we can order and receive the windows on schedule. (NOTE: Custom exterior doors require more time to fabricate and deliver, and it is important for the framing carpenter to know the exterior door rough opening sizes.)
	EXTERIOR PAINT COLOR	Sherwin Williams or Benjamin Moore		
	FIREPLACES	Lennox www.lennoxhearthproducts.com	<i>FireClass, LLC</i> Charlie Tate 810-459-7519	During the initial framing phase, it is very important for the framing carpenter to know about any size requirements for fireplaces.
	PLUMBING FIXTURES AND WHIRLPOOLS		<i>HL ClaeY Plumbing Fixtures</i> Rob Michael 586-925-4812	It is important that all shower and fixture valves are available during rough framing. It is critical that the framing carpenter knows the dimensions of any whirlpool tubs.

II. Rough Carpentry
